I expect to keep in contact with you for at least the lifetime of your Chinook, and will always be available if you have questions or concerns about your dog. New owners are required to sign a contract prior to receipt of the puppy that specifies required health tests, mutual obligations concerning the pup, etc. New owners are responsible for the cost of transporting their puppy to his/her new home – we do not fly puppies in cargo.
If for any reason you are unable or unwilling to continue to care for the dog, you

are required to return it to Frontier Chinooks.

21. Are you willing to agree to these requirements? Do you have any concerns with them?

Thank you for your interest in the Frontier Chinooks. Please submit this form to mail@silvertreechinooks.com .
